25th May 2020

PRESS UPDATE ON THE PHASED RE-OPENING OF EDUCATION INSTITUTIONS

To:

All Media Houses
All Education Stakeholders

The Ministry of Education and Sports wishes to thank all our learners, parents, guardians and all Education and Sports stakeholders for the support, guidance and cooperation extended to the Ministry.

Consequently, the Ministry is now at the final stages of the consultative process on the re-opening of schools and other Education Institutions and is embarking on consolidating feedback obtained over the last week.

On the 22nd May 2020, the Ministry communicated that it would be holding a press conference to issue the guidelines and dates for the re-opening of schools this week.

We wish to inform you that the Press Conference will not take place due to emerging issues that require further multi stakeholder discussions and concurrence before the Ministry can move to issue a final statement. A date for this press conference will be communicated in due course.

Once again, we thank you all for your continued support.

Patrick Muinda
